

My town's name is Northbury. There are two parks in the town. There's a big square with a fountain. On Saturdays and Wednesdays there's a market in the square.

I'm from Edinburgh. It's an old city. There are lots of shops and cafés, and there are museums and cinemas. There's a castle in Edinburgh. My flat is near the castle.

I'm from Littleton. It's a little village next to a river. There's an old mill in the village and one shop! My school isn't in the village. It's in the next village.
