

Listen and match the words.

הקשיבו את המילה! 

מתחו קו והתאימו בין המילים באנגלית  
לעברית.

|                                                                                     |       |                                                                                     |                                                                                      |         |
|-------------------------------------------------------------------------------------|-------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------|
|    | body  |    |    | אוזניים |
|    | feet  |  |  | עיניים  |
|  | teeth |  |  | רגליים  |
|  | eyes  |  |  | שיניים  |
|  | ears  |  |  | גוף     |

Listen and draw a line matching the question and the answer.

הקשיבו ומתחו קו בין השאלה  
להתשובה.

|                                                                                     |                             |                                                                                     |                                                                                      |                                      |
|-------------------------------------------------------------------------------------|-----------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------|
|    | What's your name?           |    |     | Yes, I do. I like orange juice.      |
|    | Are you tall?               |   |   | Yes, I do. I have a green alligator. |
|  | What are you wearing today? |  |  | My name is Pam.                      |
|  | Do you like orange juice?   |  |   | No, I am short.                      |
|  | Do you have an alligator?   |  |   | I am wearing a blue hat.             |

Listen and put a **V** near the word you hear.

הקשיבו וסמנו **V** במילה  
שאתם שומעים בכל שורה.

|                                                                                        |       |           |        |        |
|----------------------------------------------------------------------------------------|-------|-----------|--------|--------|
| 1.   | cake  | chicken   | chips  | cola   |
| 2.  | eggs  | fish      | cheese | apple  |
| 3.  | milk  | salad     | orange | pizza  |
