Hi! I'm Monica and I'm 11 years old. I live in the capital of England, London and I love this town. There are many places to visit, so I never get bored. I love listening to music, so I often attend concerts and go to places with live music. Next to my house is a cinema, which I visit on Saturday evening every weekend with my friends. The bus station and train station are also in the nearing, so I can easily commute to school. In Warsaw there are a lot of restaurants and café, so you will never be hungry here. I really like shopping, so I often buy clothes in very big shopping malls.

Living in a big city also has bad things. Everywhere there is a lot of people, especially in the subway. There are a lot of traffics and the air is very polluted because of car fumes. There are also a lot of attractions for tourists, for example, the Tower Bridge, Big Ben and the Madame Tussauds museum with wax figures of famous people.

I encourage you to visit London, so that you can fall in love with this town, too!
