

THE SHOW MUST GO ON.

Queen.

Complete the song with the words in the box.

Empty	, what are we living for?	Abandoned
On and on	places, I guess we know the	spaces
Does anybody know what we are looking for?		score
Another hero, another	crime	
Behind the curtain, in the		breaking
Hold the line		
Does anybody want to take it anymore?		mindless
The show must go on		
The show must go on, yeah		flaking
Inside my heart is		
My makeup may be		romance
But my smile, still, stays on		
Whatever happens, I'll leave it all to		
Another heartache, another failed		pantomime
on and on		
Does anybody know what we are living for?		
I guess I'm learning		warmer
I must be now		
I'll soon be turning, round the	now	aching
Outside		
But inside in the dark I'm	to be free	
The show must go on		chance
The show must go on		
Inside my heart is breaking		the dawn is breaking
My makeup may be flaking		
But my smile, still, stays on		
My soul is painted like the wings of		corner
Fairy tales of yesterday will grow but never		
I can fly, my friends		butterflies
The show must go on		
The show must go on		die
I'll face it with a		
I'm never giving in		overkill
On with the show		
I'll		grin
I'll		
I have to find the will to carry on		
On with the show		top the bill
On with the show		
Show must go on, go on, go on, go on, go on...
