## 3 PHRASAL VERBS CONNECTED WITH ILLNESS

a Match the bold phrasal verbs to their meanings.

Please lie down on the couch. I'm going to examine you.

After two hours queuing in the sun, I passed out, and when I came round I was lying on the floor.

It often takes a long time to get over flu.

A few minutes after drinking the liquid I had to run to the bathroom to **throw up**.

1	faint
2	put your body in a horizontal position
3	vomit, be sick
4	get better / recover from sth
5	become conscious again
