

It will rain by Bruno Mars

If you ever _____ me, baby
Leave some morphine at my door
Because it would _____
A whole lot of medication
To realize what we used to have
We _____ have it anymore

There's no religion that _____ save me
No matter how _____ my knees are on the floor
So keep in mind
All the sacrifices I'm making
Will keep you by my side
Will keep you from _____ out the door

Because _____ be no sunlight
If I lose you, baby
There'll be no clear skies
If I lose you, baby
Just like the clouds
My _____ will do the same if you walk away
Everyday, it will rain, rain, rain

_____ never be your mother's favorite
Your daddy can't even look me in the eyes
Oh if I _____ in their shoes
I'd be doing the same thing
Saying there goes my little girl
Walking with that troublesome _____

But they're just afraid
Of something they _____ understand
Oh well little darling watch me change their minds
Yeah for you I'll _____ I'll try I'll try
_____ pick up these broken pieces till I'm bleeding
If that'll make you mine

Because there'll be no sunlight
If I _____ you, baby
There'll be no clear skies
If I lose you, baby
Just like the clouds
My eyes _____ do the same if you walk away
Everyday, it will rain

Don't just say goodbye
Don't just say, goodbye
I'll pick up these broken pieces till I'm bleeding
If _____ make it right
