READING

Read and write the activities.

Hi, I'm Lucy. At the weekend, I do lots of different things. On Saturday morning, I always go to football training at nine o'clock. I play on my local team, I love playing football. One thing I never do at the weekend is visit my grandparents, I visit them on Wednesdays. On Saturday afternoon, I usually do the shopping with my dad in the supermarket, but I sometimes meet my friends in the park. I love playing sports and my sister loves art. She usually does something artistic, but I hardly ever do crafts.

Cassie

My dad plays tennis at the weekend and I play with him some days. I'm learning Chinese at school, I love it! I practise it from Monday to Friday. I love fruit and eat it every day. I don't like computer games and I haven't got a computer. I've got a lot of books in English and I read every night.

Leo

My favourite sport is tennis and I play it every day. I don't learn Chinese, so I don't practise it. I like fruit and I eat it six days a week. I play computer games with my cousin only in summer, when we go on holiday together. I don't always read in English, some nights I read in English and some nights I read in Spanish.
