	Oh surprise, my pencil was missing!	I looked on the floor, on the bench, in my backpack, and nothing.
	The teacher looked at me curiously and when she came to ask what was happening.	
	I sadly told her that I had lost my pencil.	She smiled, and pointed to my ear, I had put my pencil there.
	Once, I was at school	I had prepared for a very difficult exam.
	And when the teacher asked us to only take out a pencil and an eraser,	I was very sure to look for them in my pencil case.
