## Thinking of travelling around Europe?

InterRailing is one of the best ways to travel.

It's easier and quicker than flying and you see some amazing \_\_\_\_\_. But it's \_\_\_\_\_.

» Be realistic about money. Make a \_\_\_\_\_, and \_\_\_\_\_ (and it's good to have a \_\_\_\_\_ plan in case you \_\_\_\_\_ money or lose your credit card).

» Decide which InterRail ticket is best for you. You can visit \_\_\_\_\_ thirty European countries with the Global Pass, or, if you \_\_\_\_\_ discover one country at a more \_\_\_\_\_, I'd recommend the cheaper One Country Pass.

\_\_\_\_\_ accommodation in advance. You can find some pretty good \_\_\_\_\_ if you book early. Don't \_\_\_\_\_ an unknown city with nowhere to sleep. You waste valuable sightseeing time if you're \_\_\_\_\_ looking for somewhere to stay.

» Don't pack too much \_\_\_\_\_. You'll have to carry it everywhere, so think hard about what you really need and don't buy too many souvenirs while you're away.

» Take \_\_\_\_\_ clothing. You're hardly going to need a \_\_\_\_\_, but you will need comfortable shoes – and it's worth taking a hat for the sun.
