

A. Match the adjectives to their corresponding definition.

... people ...

- | | |
|----------------|---|
| 1. quiet | () can understand other people and their feelings. |
| 2. cautious | () don't like taking risks so they don't try new things. |
| 3. easy-going | () talk all the time. |
| 4. energetic | () are sure of themselves; they know they can do things well. |
| 5. envious | () have got a lot of energy and do all kinds of things. |
| 6. adventurous | () tell lies and cheat. |
| 7. friendly | () like travelling and exploring wild places. |
| 8. generous | () only think about themselves. |
| 9. funny | () never tell lies or cheat. |
| 10. talkative | () like to give presents and to use their money to help people. |
| 11. serious | () make friends easily. |
| 12. lazy | () make other people laugh. |
| 13. dishonest | () base what they do on reason, not on emotion. |
| 14. honest | () don't like helping at home or studying much. |
| 15. shy | () don't like spending time with other people. |
| 16. confident | () hardly ever get angry. |
| 17. selfish | () want the things that other people have. |
| 18. sensible | () don't like talking much. |
| 19. sensitive | () aren't sure of themselves and don't feel comfortable when meeting new people. |
| 20. unsociable | () don't make jokes or fun of things. |

B. Now, match the opposites.

- | | |
|----------------|----------------|
| 1. serious | () unsociable |
| 2. energetic | () dishonest |
| 3. friendly | () talkative |
| 4. shy | () cautious |
| 5. quiet | () funny |
| 6. honest | () confident |
