Writing

J. Write a short article for your school newspaper about air pollution (80-100 words). Use the notes below and the text in Ex. H as a model.

- What different kinds of pollution are there? (air, water, soil etc)
- Where does air pollution come from? (fumes from cars and factories etc)
- How can we help the problem? (use buses or the metro instead of the car, walk or ride your bicycle)

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly aged or off-white appearance. The edges of the paper are slightly irregular, suggesting it might be from a notebook or a loose-leaf binder. There is no handwriting or other markings on the page.
