

Driver's License by Olivia Rodrigo

Task: Watch the video and listen.

Put the missing words in the gaps.

I _____ my driver's license last week

drove

Just like we always _____ about

'Cause you _____ so excited for me

talked

To _____ drive up to your house

weren't

But today I drove through the suburbs

got

Crying 'cause you _____ around

were

And you're probably with that blonde girl

Who always _____ me doubt

finally

She's so much older than me

She's everything I'm insecure about

said

made

Yeah, today I _____ through the suburbs

wrote

'Cause how could I ever love someone else?

And I know we _____ perfect but I've never felt this way for no one

And I just can't imagine how you could be so okay now that I'm gone

Guess you didn't mean what you _____ in that song about me

'Cause you _____ forever, now I drive alone past your street

And all my friends are tired

weren't

Of hearing how much I miss you, but

I kinda feel sorry for them

'Cause they'll never know you the way that I do, yeah

Today I drove through the suburbs

pictured

And I was driving home to you

And I know we weren't perfect

didn't mean

But I've never felt this way for no one, oh

And I just can't imagine how you could be so okay, now that I'm gone

I guess you didn't mean what you wrote in that song about me

'Cause you said forever, now I drive alone past your street

Red ,

sidewalks

I still see your face in the white , front yards

Can't drive past the places we used to go to

stop signs

'Cause I still fuckin' love you, babe (ooh, ooh, ooh, ooh)

cars

we crossed

I still hear your voice in the , we're laughing

lights

Over all the noise

blue

God, I'm so , know we're through

But I still fuckin' love you, babe (ooh, ooh, ooh, ooh)

traffic

I know we weren't perfect but I've never felt this way for no one

And I just can't imagine how you could be so okay, now that I'm gone

'Cause you didn't mean what you wrote in that song about me

'Cause you said forever, now I drive alone past your street

Yeah, you said forever, now I drive alone past your street
