We (pass) upon the stair, we (speak) of was and when

Although I (be) there, he (say) I was his friend

Which (come) as a surprise I (speak) into his eyes

I (think) you died alone, a long long time ago

Oh no, not me

We never (lose) control

You're face to face

With the man who (sell) the world

I (laugh) and (shake) his hand, and (make) my way  
back home

I (search) for form and land, for years and years I (roam)

I (gaze) a gazley stare with more than millions here

We must have died along, a long long time ago

Who knows? Not me

I never (lose) control

You're face to face

With the man who (sell) the world.
