Dear Josh,

The first part of my holiday was **1 awful**. We were at a ski resort and the weather was absolutely **2**, but there wasn't any snow. After waiting for three days for it, everyone was feeling really **3**, so we decided to go back home.

We stopped on the way back in a nice hotel. It was **4**! It had hundreds of rooms, and there were lots of things to do. There was an indoor pool, and I was **5** to see that there were lots of people my age there. And the food! It was absolutely **6**. But the best thing was that one of my favourite football players was there, too, and I got a selfie. That was **7**!

We decided to stay three more days there. When we got home, I was really **8**, but very happy!

I can't believe it's time to go back to school again.

See you on Monday!

Simone
