My dad says that as soon as he <sup>1</sup> saw my mum he <sup>2</sup>                    her. My mum says that after a couple of months, when she'd <sup>3</sup>                    my dad, she felt the same. I don't know if that's true or not but what I do know is that they <sup>4</sup>                    for seven months before he <sup>5</sup>                    to her in 1961 at the Santiago Bernabéu football stadium while they were watching a match! My mum said 'yes' and they <sup>6</sup>                    in 1963 in Madrid. They <sup>7</sup>                    their golden wedding anniversary last year and are still incredibly happy together.
