Last summer, I was in Mexico with my family.

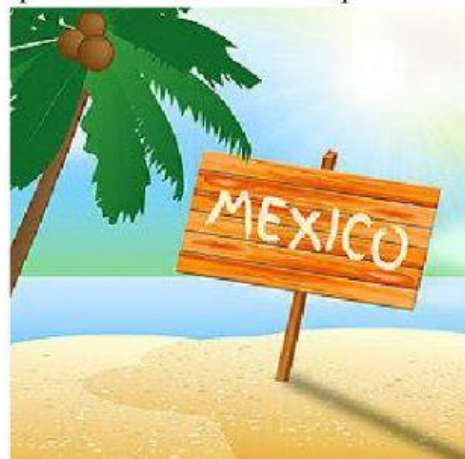

The weather was hot and sunny. I and my family were on the beach all day. I swam in the sea and my father sailed a boat. My mother and my sister took a lot of photos.

I played with my sister on the beach and we made a sandcastle.

Mom bought souvenirs for grandma. I didn't buy souvenirs, but I bought myself sunglasses.

One night we even looked at the stars with the whole family.

It was a great time!
