3 READING

Read the email message. Then mark each sentence true *(T)* or false *(F)*.

Hi Sally,

I just thought I'd send you a quick email to let you know why I can't come to your party. At this time next month, I'm going to be on vacation. I'm going to New Zealand and I'm going to stay for two months. I have everything planned. First, I'm going to go to South Island. I'm going to do some hiking on the glaciers, and with luck I'm going to see the penguins. Then I'm going to drive to North Island to see the forests and then relax on the beaches. I'm really looking forward to it. I'll bring back something nice for you!

Love,

Jill
