## A Million Dreams

[Michelle Williams](#), [Hugh Jackman](#), [Ziv Zaifman](#)

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's <sup>1</sup> .....before  
But it <sup>2</sup> ..... like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

There's a house we can <sup>3</sup> .....  
Every room inside is filled  
With things from far away  
The special things I <sup>4</sup> .....  
Each one there to make you <sup>5</sup> .....  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

<sup>6</sup> .....big, however small  
Let me be part of it all  
<sup>7</sup> .....your dreams with me  
You may be right, you may be <sup>8</sup> .....  
But say that you'll bring me <sup>9</sup> .....  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

For the world we're <sup>10</sup> .....make
