Our home

by Mary Jones

Our house is a small cottage in the country. The cottage is old, and old cottages haven't got big windows. There's a living room, my parents' bedroom, my bedroom and my sister's bedroom. The bathroom is small but the kitchen is big. There are four chairs and a table in the kitchen. The table, the chairs and the other things are old, but the fridge is new.

We've got a car but there isn't a garage. Our garden is small but it's got trees, plants and flowers
