What are the worst office pranks you've had played on you?

The funniest thing that's happened to me was just last week. I arrived late for work one day and was trying to sneak into the office quietly. ¹[Little / I / know] _____, my colleagues had taped an air horn underneath my chair, the type they use at sports matches. As soon as I sat down, it let out this huge blast. Everyone turned around and burst out laughing. ²[Never / again / I / late] _____ for work! *Philippa Evans*

I'm an office manager, and ³[rarely / my staff / play] _____ pranks on me, but on my birthday this year, they all arrived early and filled my office with balloons. I mean they literally filled it with balloons. I could barely open the door! *Lesley Drake*

Last time I went on holiday I told my colleagues that when I got back, I wanted to get a plant for my desk. ⁴[Not since / my previous job / I / work] _____ in an office with no plants. Well, when I got back, somebody said to me 'I hope you like your plants' on my way in. I thought it was strange, but only when I got to my desk ⁵[I / understand] _____. They'd planted seeds inside my keyboard and there were all these little plants growing out between the keys! *Janice Dowley*
