- 6 When you get to the end of this road, take the left turn. _____

COMPLETION/MATCHING TASKS

Before listening to directions to complete a map, you should look at the map carefully and think about the type of information you need to identify each place on the map. When listening, you should focus on words and phrases that will help you find the information, for example *turn left* or *go straight on*. You need to follow the directions carefully and try to predict which information will come next.

03 Listen to the Director of Sports giving directions from one sports centre to another. Write the letters in the correct position on the map.

12

A roundabout B junction C traffic lights D crossroads E flyover F bend

04 Listen to the descriptions of sports 1–5 and write the correct number next to each sport A–E.

When matching descriptions to people, places or things, you need to focus on key words and ideas which can help you decide what is being described as well as what is **not** being described. For example, if you have to choose between football and cycling, a description with key words like *goal*, *run* and *kick* is more likely to describe football, and a description with *ride*, *wheel* and *race* is more likely to describe cycling.

- 05** Listen to the next part of the message. The Director of Sports is giving instructions for preparing three rooms for the inter-college sports competition at the sports centre. Write the sports in the correct gap in the table. One of the sports appears twice.

EXAM SKILLS

In the Listening test you may need to complete categories in a table or set of notes which already has some of the information in place. You should look at the information in the table carefully to get a good idea of what other information is required. This will help you to focus on the missing information. For example, the word *nets* is already given under *basketball*, so you know that you will need to listen for another word connected with that category for question 2. In each case, you will hear the sport first, so you will be able to focus on the missing word.

TIP 06

You need to write the same words as you hear in the recording. You will be told how many words you need to write and you will hear the words in the same order they are given in the recording script.

- 06** Listen to the last part of the message and complete the table with the pieces of equipment. Write **ONE WORD ONLY** in each gap.
