## Find the topic of following article.

Zebras are among the most beautiful animals on earth. With their bold black-and-white stripes, they stand apart from other African animals. Zebras are shorter than most other horses, their ears are larger, and some of them make a barking sound! Most importantly, only zebras have stripes. Many zebras have been killed for their beautiful skins.

The topic of the paragraph is \_\_\_\_\_

Everyone needs a good night's sleep. Sleep gives the body a chance to heal and refresh itself. A proper amount of sleep can give you a better mental attitude and also help your mind be more alert. Sleep restores your energy and allows you to perform better in physical activities. Doctors recommend that children get 9-12 hours of sleep every night.

The topic of the paragraph is \_\_\_\_\_

Solar energy is heat energy that comes from the sun. Solar-heat panels concentrate the sun's heat to warm water and create power. Solar power helps save other sources of energy, such as oil, gas, and other fuels. Solar panels collect the sun's heat and change it to useful energy.
