

KET 5 - Expressing the Future

Will – Be Going To - Present Simple - Present Continuous

I. First, **identify** the future in the following sentences.

Circle the verbs / actions which illustrate the future.

1. I think Argentina will win the World Cup.
2. We are having a party next Friday.
3. The plane leaves at 8 o'clock tomorrow morning.
4. She is going to move to a new apartment.

II. Now, match the sentences with uses A-D.

A. Intentions about the future	B. A schedule or timetable (= orar) (with means of transport and events)
C. Fixed personal plans and arrangements	D. Expressing what you believe will happen in the future (no proof) (<i>I think, I believe, I guess, maybe, perhaps</i>)

1. I think Argentina will win the World Cup. _____
2. We are having a party next Friday. _____
3. The plane leaves at 8 o'clock tomorrow morning. _____
