PROVERBS

Proverb

Meaning

**Two heads are
better than
one**

**A bad
workman
always
blames his
tools**

**An idle mind
is a devil's
workshop**

Evil ideas enter our
heads when we are
bored or lazy

A person who
always gives
excuses for not
doing a good job

Two people can usually
solve a problem more
easily than one person

Proverb

Meaning

**All that
glitters is not
gold**

**An ounce of
prevention is
better than a
pound of cure**

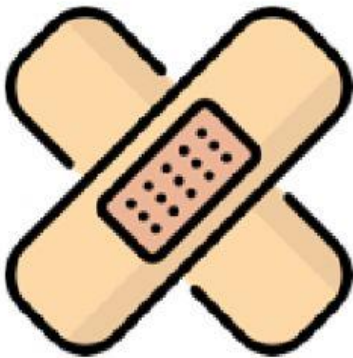

Something that looks good on
the outside may not be good in
the inside

It is better to stop something bad
from happening than to deal with it
after it has happened

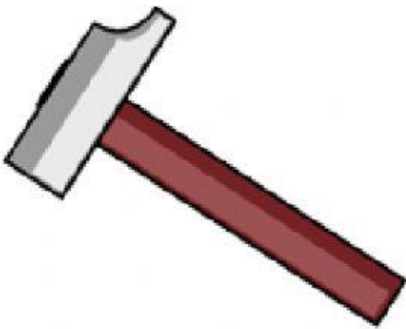

1. Sam thought he found a gold coin but it turned out to be fake.

2. “Better wear a mask or you may get Covid-19!” warned Mother as

3. James kept giving excuses for failing his exam instead of admitting that he is lazy.

4. Sylvia was struggling to solve the problem on her own until Peter stepped in. Sylvia learnt

5. It was a big mistake to leave the twins alone. Once their mother was gone, they were up to mischief and accidentally started a fire!

The tree is known by its fruit

A stitch in time saves nine

**The longest way around is the
shortest way home**

Learn how to walk before you run

Look before you leap

The _____ is known by its fruit

A stitch in time saves _____

The longest way around is the shortest way

Learn how to _____ before you run

_____ before you leap

Proverb

Meaning

**The tree is
known by its
fruit**

**A stitch in
time saves
nine**

**The longest
way around is
the shortest
way home**

**Learn how to
walk before
you run**

**Look before
you leap**

Solve a problem as quickly
as you can before it
becomes big

Shortcuts are not good

To be successful, you have
to start with small steps

Before you do something
check for danger

You can determine a person's character by their actions
