She's Got a Way With Words

When you put two and two together
 You love's got four letters
 I known that when I met her
 But she had to spell it out for me
 After all that guessing
 It's been a long hard history lesson
 that's a class I got an in
 But now I understand perfectly

She put the her in
 She put the in try
 She put the in sober
 She put the hang in
 She put the ex in
 She put the in blow
 She put a big in my future
 Yeah she's got a way
 She's got a way with words
 Yeah she's got a way with words

Little words like
 Lying, , screwed
 Yeah all the words I thought I knew
 They got a new meaning now

CHORUS (x2)

She's got a way with words (oh oh oh oh)
 She's got a way with words (oh oh oh oh)
 Yeah she's got a way with words (oh oh oh oh)
