

Name: _____

Course: 4° year

Comparative adjectives class

Activities

- 1- Let's click on the link and watch, listen and enjoy the following amazing song by Christina Aguilera.

<https://www.youtube.com/watch?v=23G9cXnATs4>

- 2- After watching the video, pay attention to the lyrics and complete the chart with the correct form of the **Comparative adjectives**.

ADJECTIVE	COMPARATIVE
FIGHT	FIGHTER
STRONG	
HARD	
WISE	
FAST	
THICK	
SMART	

- 3- Complete the following sentences with the right form of each comparative adjective. Pay attention, because there are two extra adjectives in the box.

SMART	THICK	FAST	STRONG	WISE	FIGHT	HARD
-------	-------	------	--------	------	-------	------

- A- Believe it or not, Indy cars are _____ than Formula 1 cars. The information was proved by experts many years ago.
- B- Milk contains calcium and if you drink a lot of milk, your bones will become _____.
- C- In my opinion, surgeons are _____ than engineers. They save lives and they spend all their lives studying about the human body.
- D- Nowadays, televisions are _____ than they were in the past. You can speak to them and ask them for commands. They are like robots!
- E- My sister's hair is curlier and _____ than mine. She has many problems when she combs it and she hates it.
- 4- As Christina Aguilera mentioned in her song, a lover that broke her heart changed her personality and way of thinking. What about you? How was your personality two years ago? What aspects do you consider you are changing as you are growing up? Click on the following link or scan the QR code and share your feelings and thoughts making comparisons in the padlet. Be free to use the same adjectives proposed by the song, and of course you can add as much adjectives as you want. Be imaginative!
