Questions 21–30

You are going to read an email about a teenager's experience of going to a summer camp. Ten sentences have been removed from the email.

For questions **21–30**, write the correct letter **A–J** in each space.

How are you doing, Marek? How's your family? I want to tell you about my experience at a summer camp. Before I went on the camp, I was extremely nervous!

(21) Well, certainly not for a whole week.

When I arrived there, I immediately started feeling much better. The activity leaders who worked at the camp were really friendly. **(22)** Then I met lots of the other kids preposition OK? the camp before we started our first activity. I got on really well with one of them in particular, Hans. **(23)** We ended up doing most of the activities together, which was great.

For our first activity, we went canoeing at a nearby lake. **(24)** It was great fun though. After lunch, we did a mountain-bike ride in the hills around the camp. The views from the top were amazing – the boats in the lake below looked

really small. **(25)** However, all of us managed to stay on our bikes, so we were very pleased with ourselves.

That evening, we had a campfire. Quite a few people there were good at the guitar. **(26)** I had a great time singing along to them.

The next few days followed the same routine, with different activities in the morning and afternoon, then a campfire in the evening. Once, though, we actually went camping overnight up in the hills nearby. **(27)** The views when we woke up in the morning were amazing, and we cooked our breakfast on the campfire.

I think my favourite activity of the whole week was the high ropes. You had to walk around a circuit in the local forest. The only problem was that it was all 15 metres above the ground! **(28)** Some people had to come down though because they were so frightened.

So all in all, I had a great week. **(29)** So maybe next time, we can go together – that'd be great! I hope you have a good time on holiday with your family, Marek. **(30)** See you when you get back.

All the best

Juan
