Task 3: Read the text and choose the right word.**Museums****Example**

Museums are special buildings that peoplevisit..... to learn more about art, science and history.

Most big cities have museums and people go to see them

1 they are on holidays or on school tours.

2 Many centuries ago, only a people travelled around the world, but everyone wanted to see the unusual things that they

3 So kings and other rich and important people built

4 the museums to show all these things.

5 In the science part a museum, you can see everything from dinosaurs to spaceships and you can learn about the environment, engines, astronauts and more.

7 Art museums have pictures, bowls and necklaces that are thousands of years old, as well as gold and silver treasure.

8 History museums tell us about how people lived there was television or the internet. Some old houses are now museums and the chairs, tables and beds in them are the same as they were when people lived there.

10 There's something amazing to see in a museum!

Task 3: Listen and write a letter in each box.
