

News script sample (Campus field trip)

[Opening Segment]

News Presenter: Good morning, students! Welcome to our student news segment. I'm [Your Name], and today we have an exciting feature that will take you on a virtual tour of the Panyapiwat Institute of Management (PIM) campus. We'll explore its remarkable landmarks, cutting-edge facilities, and an innovative work-based education program. Let's get started!

[Campus Landmark: The Knowledge Tower]

News Presenter: Our journey begins with the iconic landmark of PIM campus, the Knowledge Tower. Standing tall at the heart of our university, this architectural masterpiece serves as a beacon of knowledge and inspiration. Its modern design and towering presence make it a symbol of academic excellence.

[Highlighting the Knowledge Tower]

News Presenter: The Knowledge Tower is not only a visual spectacle but also a hub of intellectual activity. It houses state-of-the-art classrooms, research centers, and collaborative spaces where students engage in innovative learning experiences. It truly represents the core values of PIM.

[Cutting-Edge Facilities: Work-Based Education]

News Presenter: Now, let's explore an extraordinary opportunity available to PIM students—the work-based education program. PIM has partnered with CP ALL and 7-11 convenience store to offer internships that bridge the gap between theory and practice.

[Introducing Work-Based Education]

News Presenter: The work-based education program at PIM allows students to gain hands-on experience in the real business world. Through internships at 7-11 convenience stores, students have the chance to apply their classroom knowledge and develop essential skills that will prepare them for their future careers.

[Benefits of the Internship Program]

News Presenter: Participating in the work-based education program offers numerous benefits. It provides students with practical experience, enabling them to understand business operations, customer service, and management techniques. Moreover, it fosters a sense of professionalism and builds a strong foundation for their future endeavors.

[Student Experiences]

News Presenter: Let's hear from some PIM students who have participated in the work-based education program. They will share their experiences, challenges, and how this opportunity has shaped their professional aspirations.

[Student Interview 1]

Student 1: "The internship at 7-11 was a transformative experience for me. It allowed me to apply what I learned in the classroom to real-world scenarios. I gained valuable insights into retail management and developed problem-solving skills that will benefit me in my future career."

[Student Interview 2]

Student 2: "The work-based education program provided me with the opportunity to work with industry professionals and learn from their expertise. It gave me a competitive edge and opened doors for future job prospects. I'm grateful for the practical skills and knowledge I gained through this program."

[Student Interview 3]

Student 3: "The internship at 7-11 was a stepping stone towards my professional growth. It taught me the importance of teamwork, adaptability, and effective communication in a fast-paced business environment. I'm confident that this experience will set me apart in my future endeavors."

[Cutting-Edge Facilities: Learning Resources]

News Presenter: Moving on, let's explore the cutting-edge facilities that PIM provides to its students. From modern classrooms to advanced learning resources, the institute offers a dynamic learning environment.

[Highlighting University Facilities]

News Presenter: PIM's classrooms are equipped with the latest technology, fostering interactive and engaging learning experiences. The institute also boasts a well-stocked library, research labs, and collaborative spaces, providing students with the necessary resources to excel academically.

[Closing Segment]

News Presenter: That concludes our student news segment for today. We hope this virtual tour of Panyapiwat Institute of Management (PIM) campus has given you a glimpse of its remarkable landmarks, innovative work.
