June 20th

Today Gideon tried again ____ get the deed to the Mystery Shack. Really, we started to get tired ____ him. I have got another problem today. Mabel happened to be taller than me by one milimeter. She and Stan started to make fun ____ me. I checked the journal and there are some crystals that can change my height. So now I am going ____ the forest ____ these crystals. We will see if they really can change my height.

These crystals really worked. I fastened these crystals ____ my flashlight and became taller than Mabel. But then something unexpected happened. First, Gideon arrived at the door ____ the Mystery Shack with termites, but these termites started ____ attack Gideon himself. Then Mabel learned about these crystals and we started to fight ____ this magical flashlight. And Gideon learned about magical crystals too.

And then our trouble started. He shrank us and took us ____ his house. Mabel was fine. Gideon put her inside the bag ____ Gummy Koalas where she started to eat one. Gideon started ask me a lot ____ questions how I knew about the crystals. We were really scared when Gideon decided to go ____ the Shack and take the deed. We escaped from Gideon's house and rode a balloon ____ the Mystery Shack. Now I know why Mabel was making fun ____ me, since I beat her at pretty much everything she wanted to win at something ____ once. So we both were rude ____ each other. And we both beat Gideon. Stan just rolled him out ____ the Mystery Shack. Of course, we returned our previous height and Mabel is taller than me.
