

To top it all   ended up   back in   Just then   In the end   To begin with

To cut a long story short   Guess what happened next   I'll never forget the day

\_\_\_\_\_ when everything went terribly wrong. \_\_\_\_\_, it was just a regular day \_\_\_\_\_ 2020. I woke up early, got dressed and headed to work. \_\_\_\_\_, my car broke down on the way to the office. I tried to call for help, but my phone battery had died. \_\_\_\_\_, it started raining heavily.

I \_\_\_\_\_ walking to the nearest gas station, which was miles away. When I finally arrived, I was soaking wet and shivering. The mechanic told me that it would take hours to fix my car. \_\_\_\_\_? While waiting, I decided to grab a cup of coffee. As I walked towards the vending machine, I accidentally spilled hot coffee all over myself.

\_\_\_\_\_, I had to spend the whole day at the gas station, waiting for my car to be fixed. \_\_\_\_\_, that day was a disaster. I couldn't wait to go back home and forget about everything. But looking back, I can't help but laugh at how everything went wrong that day. Well, it's a memory I'll never forget.
