Direction:

1. Enjoy the song!
2. Listen the song carefully!
3. Fill in the blank parts of the song!

[Verse 1]

When I am 1
Looking at photos and videos
That we took
I've been keeping them for 2
And with my broken heart
I see all the pictures of myself
Living life without you just feels 3

[Chorus]

I want you to be here with me
I know it sounds 4
I miss your laugh and
I miss 5
We used to be
And even if it is just for a while
Then God please 6 us the time
I can't deal with the 7
There's nothing left that i can do
Cause my heart is just missing you

[Verse 2]

I tried 8
Every way I could forget you
Just so I can live my life 9 you,
oh
Nothing is the same
It's hard for me
To erase all of the 10
I have with you

[Chorus]

I want you to be here with me
I know it sounds crazy
I miss your laugh and
I miss everything
We used to be
And even if it is just for a while
Then God please give us the time
I can't deal with the reality
There's nothing left that i can do
Cause my heart is just missing you, oh
Just missing you, oh

[Chorus]

I want you to be here with me
I know it sounds crazy
I miss your laugh and
I miss everything
We used to be
And even if it is just for a while
Then God please give us the time
I can't deal with the reality
There's nothing left that i can do
I can't deal with the reality
There's nothing left that i can do
Cause my heart is just missing you, oh
Cause my heart is just missing you, oh
It's your smile that I miss from you
