

Modals of Deduction Sentence Writing

Rewrite the sentences with might/must / couldn't have and the words in the brackets. Look at the example.

Example: The sidewalks are wet. (it / rain/ last night)
It must have rained last night.

1. Ben's not answering the phone. (he / forget / to recharge it.)

2. At the time of the murder, Ty was in Japan. (he / do it)

3. I can't find my ticket. (I / lost it)

4. My stomach hurts. There's one possibility. (I / eat some bad food)

5. I don't know what I drank. (it / be green tea)

6. That happened before you were born. (you / see it)

7. Jim doesn't have that old car anymore. (he / sell it)
