

Test : Formative

Date : 08/02/2021

Subject : Maths

Duration : 40 min

Grade : 4

Teacher : Jana Eid

Name :

Ex 1: Compare using ($<$, $>$, $=$) : (/4pts)

200,930,600 200,940,600

1922211 13922211

700 000 \div 3 600 000 \div 3

1,345,000 + 20 1,345,000 + 35

1,345,000 - 20 1,345,000 - 35

300 \div 7 300 \div 9

62122100 x 305 62122100 x 308

12300050x10 123000500

Ex 2: Order these numbers form smallest to largest : (/2pts)

6,755,000 66,755,000 6,799,000 6,755,100

..... < < <

Ex 2: Round off to the nearest ten thousand, then to the nearest million (4pts)

Number	Nearest ten thousand	Nearest million
123,909,555		
305,321,690		

Good luck and good Job !
