H. Read the email. Circle *True* or *False* for each sentence. (2 points each)

Hi Bruno,

How are you doing? It's very quiet at home, now that you are at college. We're all OK. Dad's working at the hospital this month and so he usually gets home late, so I don't see him very much. Mom's writing a new book, so she doesn't have much free time. I'm working really hard right now, but my last exam is on Friday and so I'm going to take a break for a few days after that. I'm going to go surfing with Diego!!

I'm sending you some photos. I think the first one was a birthday party, because you can see some birthday gifts. There were a lot of flowers in the garden, so I think it was spring. Mom and dad weren't there, so it wasn't Dad's birthday. I can't remember when it was because it doesn't have the date on the back. Where do you think we were? I think it was Aunt Clancy's house.

You're going to love the second one, it's funny. It was your first day at school. Your hair was so short! You were so cute! And, look at Mom's dress. It was an awful color! She never wears brown clothes now, not like the color in this photo. I'm going to show her this photo, to see if she remembers the day.

OK. I'm going to finish what I'm doing.

See you soon!
