

Challenge Activity- We have discussed this a few times, see what you can do. Type your answers below by using a number and backslash key.

Example $\frac{2}{3}$ or $\frac{1}{4}$

Watch the video, then try a few on your own.

1) $\frac{4}{8} + \frac{2}{4} =$

2) $\frac{2}{3} + \frac{3}{12} =$

3) $\frac{2}{6} + \frac{1}{2} =$

4) $\frac{1}{3} + \frac{2}{9} =$

1.

2.

3.

4.
