figura	Área lateral	Área total
 A triangular prism with a triangular base. The base is a right-angled triangle with a hypotenuse of 10mm and a base of 6mm. The height of the triangle is 9.5mm. The length of the prism is 14mm.		
 A triangular prism with a right-angled triangular base. The base has a vertical side of 15cm and a horizontal side of 8cm. The hypotenuse is 17cm. The length of the prism is 9cm.		

Figura	Volumen
 A square-based pyramid with a height of 6cm and a base side length of 4cm. The height is shown as a dashed line from the apex to the center of the base, with a right-angle symbol at the base.	
 A rectangular-based pyramid with a height of 3cm, a base length of 7cm, and a base width of 5cm. The height is shown as a dashed line from the apex to the center of the base.
