

ROLL OVER BEETHOVEN

Before we had the internet, you could only hear music on records, jukeboxes or the radio. Some people wrote to radio stations requesting favorite songs. Listen to the song and choose the correct words.

We're gonna write a little letter, gonna mail it to my local D.J. /E.T.
It's a rocking little **record** /**cassette** I want my jockey to play
Roll over Beethoven - I gotta hear it again today

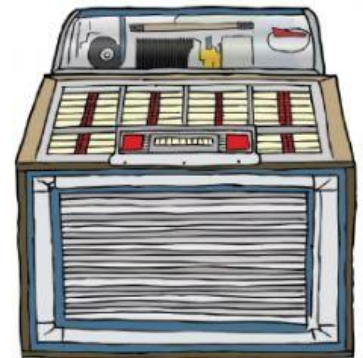

You know my temperature's rising
And the **radio's** / **jukebox's** blowing a fuse
My heart's beating rhythm
And my soul keeps singing the **greens** / **blues**
Roll over Beethoven and tell Tchaikovsky the news

I got a rocking pneumonia
I need a shot of **rhythm** / **tempo** and blues
I think I got it off the writer
Sitting down by the rhythm review
Roll over Beethoven
We're **dancing** / **rocking** in two by two

Well, if you feel and like it
Well, get your lover and reel and **jazz** / **rock** it
Roll it over and move on up
Just a trifle further and reel and rock it
Roll it **over** / **under**
Roll over Beethoven
A-rocking in two by two,

Well, early in the **morning** / **evening** I'm giving you the warning
Don't you step on my blue suede shoes
Hey, diddle, diddle - I'm gonna play my **guitar** / **fiddle**
Ain't got nothing to lose
Roll over Beethoven
And tell Tchaikovsky the news

You know she winks like a glowworm
Swing / **Dance** like a spinning top
She's got a crazy partner
Ought to see him reel and rock
Long as she's got a dime the **party** / **music** will never stop

Roll over Beethoven

Song written by Chuck Berry and performed by the Beatles.
