

ROCK N'ROLL MUSIC

Listen to the song and choose the correct words.

Just let me **hear** / **listen** some of that rock and roll music
Any old way you choose it
It's got a back **rhythm** / **beat**, you can't lose it any old time you use it
It's gotta be rock and roll music if you wanna dance with me
If you wanna dance with me

I have no kick against modern **jazz** / **pop** unless they try to play it too darn fast
And change the beauty of the **harmony** / **melody** until they sound just like a symphony

CHORUS

That's why I go for that **rhythm & blues** / **rock & roll** music
Any old way you choose it
It's got a back beat, you can't lose it any old time you use it
It's gotta be rock and roll music
If you want to dance with me

I took my loved one over cross the tracks
So she can hear my man a wailing **sax** / **trumpet**
I must admit they have a rocking **band** / **group**
Man, they were going like a hurricane

CHORUS

Way down **south** / **north** they gave a jubilee
The jokey folks they had a jamboree
They're drinking homebrew from a wooden cup
The folks **dancing** / **hopping** got all shook up
And started playing that rock and roll music

CHORUS

Don't care to hear 'em play a **tango** / **cha cha**. I'm in the mood to dig a mambo
It's way too early for a **bolero** / **congo** so keep a rockin' that piano
So I can hear some of that rock and roll music

CHORUS

Song written by Chuck Berry and performed by the Beatles.
