

Practice

CO₂	H₂O	CH₄	C₆H₁₂O₆
-----------------------	-----------------------	-----------------------	---

A) What is the molecular formula of water, carbon dioxide, glucose and methane?

1. Water: _____

2. Carbon Dioxide: _____

3. Glucose: _____

4. Methane: _____

B) Which are the elements in each molecule?

1. Water: _____

2. Carbon Dioxide: _____

3. Glucose: _____

4. Methane: _____
