

DAILY ROUTINE

Read the text and answer the questions below. Happy Learning!

My name is Dylan, and I'm 15 years old. Let me tell you about my daily routine.

I **wake up** at 7 o'clock every morning. After getting out of bed, I **brush my teeth** and **wash my face**. Then I **get dressed** in my school uniform and have a quick breakfast. I usually **eat** cereal with milk and drink orange juice.

At 8 o'clock, I leave for school. It takes me about 15 minutes to walk there. School starts at 8:30. I have different subjects like English, math, science, and history. I enjoy learning new things, especially in science class.

After school, I have volleyball practice as an extracurricular activity. I really love playing volleyball, and I **practice** with my teammates for about an hour. It's a lot of fun and **helps** me stay active.

When I get back home, I have some free time to relax. I might **watch** TV, **play** video games, or **chat** with my friends online. After that, it's time for dinner with my family. We **talk** about our day and share stories.

In the evening, I **usually do** my homework and **study** for upcoming tests. I try to finish everything before 9 o'clock. Then I **get ready** for bed. I brush my teeth again, **change** into my pajamas, and **read** a book for a little while.

Finally, at around 10 o'clock, I **go to sleep**. I need to rest well so that I can have another exciting day tomorrow. That's my daily routine, and I enjoy every moment of it!
