Complete the song lyrics by listening the famous song of Tears for Fears

I wanted to be with you   
And talk about the weather  
But  I can trace against the child in your face  
Won't escape my   
You keep your distance via the system of touch  
And gentle persuasion  
I'm lost in , could I need you this much?  
Oh, you're wasting my   
You're just, just, just wasting time  
Something happens and I'm head over heels  
I never find out until I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't  my heart  
Don't, don't, don't throw it away  
Throw it away, throw it away  
I made a fire, and watching it burn  
Thought of your   
With one foot in the past, now just how long will it last?  
Now, now, now, have you no ambitions?  
My mother and my brothers used to breathing clean air  
And dreaming I'm a   
It's hard to be a man when there's a gun in your hand  
Oh, I feel so  
Something happens and I'm head over heels  
I never find out until I'm head over heels  
 happens and I'm head over heels  
Ah, don't take my heart, don't break my heart  
Don't, don't, don't throw it away
