

Video Response 1 (Red) – Non-Fiction

Pompeii Volcano Eruption

Questions

1. What country is Pompeii in?
2. What year was the city of Pompeii discovered?
3. Why were the people not afraid of the volcano?
4. What is Pumice rock?
5. Why was it difficult to see?
6. What is the result of ash and magma colliding in the air?
7. What was the first thing that started to kill many people?

8. What does it mean when it says the people were “frozen in time”?
9. In your own words, what does the word ‘preserved’ mean?
10. What was the name of the volcano?

My Response

What do you think was going through the minds of the people when the volcano erupted, and then the hours that followed? (3-4 sentences)

My Research

What else can you tell me about Pompeii either before or after the eruption?
