

Always Remember Us This Way Lady Gaga (Star is Born Soundtrack)

That Arizona sky _____ in your eyes
You _____ at me and, babe, I
wanna _____ on fire
It's _____ in my soul like California
gold
You _____ the light in me that I
couldn't _____

So when I'm all choked up
But I can't _____ the words
_____ we say goodbye
Baby, it _____

When the sun _____ down
And the band won't _____
I'll _____ us this way
Lovers in the night

Poets tryin' to _____
We don't know how to rhyme
But, damn, we _____
But all I _____ know

You're where I wanna go
The part of me that's you will _____ die
So when I'm all choked up
And I can't _____ the words

_____ we say goodbye
Baby, it _____
When the sun _____ down
And the band won't _____

I'll _____ us this way
Oh, yeah
I don't wanna be just a memory, baby,
yeah

Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo, hoo

So when I'm all choked up
And I can't _____ the words
_____ we say goodbye
Baby, it _____

When the sun _____ down
And the band won't _____
I'll _____ us this way,
way, yeah

When you _____ at me
And the whole world fades
I'll _____ us this way

always
always
always
buried
burnin'
catch
every time
every time
every time
found
find
find
find
find
goes
goes
goes
hurts
hurts
hurts
look
look
never
play
play
play
really
remember
remember
remember
remember
try
write
