

# Spring

It's **already** the end of **winter**. The Flyers look **like** they're enjoying **spring**. There are different things to see **everywhere**. A **butterfly** on a leaf. An **insect** climbing up a leaf. A **swan** on the river. Birds flying in the air. The Flyers are still studying. In their lessons they are learning about what different things are made from. Perhaps you would like to help them. Complete the **letter** in *Let's write!*

butterfly

swan

bridge

plastic

wood

metal

insect

wing

gate

glass

paper

# Spring

Read the **letter** and write the missing words. Write one word in each **space**. The words you need are on the Flyers whiteboard.

Dear Flyers,

Perhaps I can help you. I also know about what things are made from! Gold

is an **expensive** (1) \_\_\_\_\_ and so is

(2) \_\_\_\_\_. We get (3) \_\_\_\_\_ from sheep and

(4) \_\_\_\_\_ is made from **special** sand. You can make many

different things with (5) \_\_\_\_\_, which is like hard **paper**. I hope

you have learned a **fact** or two from this **information**. Until **next** time, from your friend,

\_\_\_\_\_ (Your name)
