Unit 1 Lesson 2

1 Listen and read. Can Luke and Mia see any animals?

Susana: Hey! Cool flying machine. Look! There are lots of buildings.

Peter: Which ones can you see?

Susana:I can see my apartment building, the school, and the library. Now I can see the city and ... I can see the world. Don't go too fast!

Peter: Which countries can you see?

Susana: I can see the United States and Cenada, I think.

Which animals live in Cenada, Peter?

Peter: Eagles, beavers, and big brown bears.

Susan: What do big brown bears eat?

Peter: They eat fruit, insects, and small animals.

Susan: Which insects and animals do they eat exactly?

Peter: They eat ants and spiders. They eat rabbits and fff ...

Susan: Ferrets?

Peter: Ur ... fish. They eat fish.

2 Answer the questions.
