

**1 Listen and read. What are Luke and Mia talking about?**

Peter: Why are you sad, Ana?

Ana: because I didn't say goodbye to my friends.

Peter: You can send them an email.

Ana: No. I'm going to send them a postcard from Canada.

Peter: Why do you want to send a postcard?

An email is faster.

Anna: because postcards are more interesting.

They have pictures on them. Luke: Which postcard do you like?

Anna: I like postcards with animals on them.

Peter: Why do you like animals, Anna?

Anna: Because they're smarter than us.

Peter: Why are they smarter than us?

Anna: Because they don't ask so many questions!
