1. Why Hobbies Are Fun

2. Why I Like Playing Online Games

- Playing online games is my hobby and I began playing games when I was eight years old. I play online with my friends at school. Now, we are playing a game called Pinecraft. In this game, we can grow trees and then use the wood from the trees to build houses and other things. It's very popular and a lot of fun to do. I spend about two hours a day playing online. I think it's a good way to relax. It's also another way to have fun and hang out with my friends. I can see them every day in the game. My parents say it's OK to play online as long as I do my homework first.
