CW pgs. 307

Circle the adjectives that describe the number, size, or shape of something. **Write** the adjectives in the chart.

1. Watermelons have oval seeds.
2. Peaches have large pits.
3. Cherries have one pit.
4. Pea pods hold round peas.
5. An orange has seeds inside.

Describe Number	Describe Size	Describe Shape

Home Activity Your child learned about adjectives for number, size, and shape. Look at foods together. Have your child use adjectives to describe each food's number (two apples), size (big potatoes), or shape (round oranges).
