SENIOR ONE FINAL EXAM

SECTION A: Reading Comprehension
Read the text and circle the correct option, true (T) or false (F).

Starbucks, summer, and other things I ♥ love about Britain.

Mark Smith, an American journalist who lives in London, says the UK's not just OK- it's a paradise. These are some of his reasons.

Walking: Britain isn't a good place for cyclists. But for pedestrians it is wonderful. When you walk on a zebra crossing, all the drivers stop.

Banks: British banks are great because you do everything online; and if you want to change the banks, the bank do all the work, not you.

Drivers: The British are very polite when they drive. They are patient with other drivers. They always say thank you when you let them pass

No ID cards: British is one of the only places in the world where people don't have ID cards. In the US you need ID when you buy a drink, go to a club, use a credit card or take an intercity train.

Summers: I love British summers! A good summer day in Britain is dry and warm, but not very hot.

Starbucks: Starbucks isn´t British, of course, but I prefer the Starbucks in Britain. They are nice, friendly places where people read the newspaper and drink good coffee. And the waitress doesn't write your name on the cups – that's stupid.
